THE PRESIDENT DOCTORS FOR AFRIKA GERMANY OFFENBURG

Dear, President

APPRECIATION LETTER

I write on behalf of the management and staff of St. Anthony's Hospital to express our sincerest gratitude to you for your support even during this pandemic period.

We have received an amount of Gh¢29,850.00 to enable us augment our preparations towards the fight against Covid-19. We wish to inform you that all necessary measures are being put in place to prevent staff and clients of St. Anthony's Hospital from contracting the disease. We have also ordered for the Personal Protective Equipment (PPEs). We would please furnish you with the receipts as soon as we receive the products.

Kindly extend our profound appreciation to members of the Board of Directors for Doctors for Afrika. We have requested that Rev. Fr. Emmanuel Amedzi should say a **Holy Mass** for all the members and the board.

It is hoped that the pandemic would be put under control soon in order to enable us continue with the extension of relief to our clients who suffer from urological problems.

Stay blessed.

Yours faithfully,
